

Dear Colleagues,

We are very pleased to announce that **the 11th Geosymposium of Young Researchers "Silesia 2018"** will be held from 12th to 14th September 2018 in the Istebna, Silesian Beskids, Poland.

Geosymposium is an international conference devoted to young scientists, PhD Students and young doctor interested in Earth Sciences. The conference is of an interdisciplinary character, thanks to which it provides an excellent platform for the presentation of research results in the field of geology, geophysics, geography and environmental protection. It is organized each autumn by Faculty of Earth Science of **the University of Silesia in Katowice**.

In this year we are planning to perform following sessions:

- ◇ Physic geography, landscape ecology
 - ◇ GIS, teledetecion and cartography
 - ◇ Polar studies
 - ◇ Structural geology
- ◇ Petrology, mineralogy and geochemistry
 - ◇ Paleontology
 - ◇ Hydrogeology
 - ◇ Near surface geophysics
 - ◇ Petroleum geophysics
 - ◇ Environmental protection

Registration fee is 450 pln (c.a. 110 euro) - accommodation in a hotel, full board, coffee breaks and field trip included (more informations about venue, travel and how to get to Istebna are available on www.geosymp.wnoz.us.edu.pl)

The preferable **conference language is English** (PowerPoint slides in oral presentations and posters (594 x 841 mm - A1) should be written in English).
