

**10 YEARS**

# NEW WAVE

International Student and  
Early Career Conference

**31<sup>st</sup> May – 1<sup>st</sup> June, 2018**

## KEYNOTE LECTURE

### Strategic planning in Prague: Aim, methods and implementation

#### Lukáš Makovský

*Head of Strategy and Development Office at Prague  
Institute of Planning and Development, Prague,  
Czechia*

Lukáš Makovský focuses on urban economics, urban and strategic planning and sustainability issues. He recently co-edited new 'Prague's Strategic Plan' and coordinated works on its first 2018 implementation plan, as a project manager elaborated 'Strategic plan economic potential assessment' and participates on various analyzes and projects.

Lukáš obtained his master degree at Faculty of Architecture at Czech Technical University in Prague and as visiting student studied also at College of Architecture and Urban Planning at Tongji University in Shanghai.

The NEW WAVE conference is organized under the auspices of the mayor of Prague 2 Mgr. Jana Černochová and the Rector of the Charles University prof. MUDr.Tomáš Zima, DrSc., MBA.
